

§302(c)(4)(A) Describe the manner in which allocated funds will be used for eligible activities.

The City of El Centro plans to allocate funding as follows:
 ** Activity 1 - The predevelopment, development, acquisition, rehabilitation, and preservation of multifamily, residential live-work, rental housing that is Affordable to Extremely low-, Very low-, or Moderate-income households, including necessary Operating subsidies. Funding will be lent to an Affordable Housing developer to supplement funding for an income eligible multifamily development.
 ** Activity 6 - Assisting persons who are experiencing or At risk of homelessness, including, but not limited to, providing rapid rehousing, rental assistance, supportive/case management services that allow people to obtain and retain housing, operating and capital costs for navigation centers and emergency shelters, and the new construction, rehabilitation, and preservation of permanent and transitional housing. Funding will be used to establish the Working Hands streets to work program and navigation center.
 ** Activity 7 - Accessibility modifications in Lower-income Owner-occupied housing. Funding will be used for housing rehabilitation projects to provide accessibility modifications for extremely low-, very low-, low-, or moderate-income eligible clients.
 ** 5% of PLHA annual allocations will be used for City Administrative costs

§302(c)(4)(B) Provide a description of the way the Local government will prioritize investments that increase the supply of housing for households with incomes at or below 60 percent of Area Median Income (AMI).

The City of El Centro will lend funding to an Affordable Housing developer to assist with the construction of low-, very low-, and extremely-low multifamily housing. Additionally, funds will be used to aid homeless persons and those at risk of homelessness who earn 0 to 30% of Area Median Income.

§302(c)(4)(C) Provide a description of how the Plan is consistent with the programs set forth in the Local Government's Housing Element.

The City of El Centro's proposed PLHA activities align with the Housing Element: ** Goal 1.0: Adequate housing to meet the existing and future needs of El Centro residents; Policy 1.7: Support the provision of housing services in meeting the housing needs of El Centro residents, including extremely low income households, the homeless, and near-homeless, farmworkers and persons with disabilities; and ** 5.2 Housing Programs, Program 7: Zoning Code Amendments: Low Barrier Navigation Center (AB 101) requires cities to permit Low Barrier Navigation Centers by right in areas zoned for mixed-use and nonresidential zones that permit multi-family uses, if the center meets certain requirements. AB 101 defines a Low Barrier Navigation Center as "a Housing First, low-barrier, service-enriched shelter focused on moving people into permanent housing that provides temporary living facilities while case managers connect individuals experiencing homelessness to income, public benefits, health services, shelter, and housing.

§302(c)(4)(E)(iii) A description of major steps/actions and a proposed schedule for the implementation and completion of the Activity.

The City of El Centro is working with Chelsea Investment Corporation for the construction of a 96-unit affordable multifamily development in El Centro. The project is governed by a Development and Disposition Agreement and 55 year affordability covenant between the City and developer. The project has also received grant funding from the Affordable Housing and Sustainable Communities program for construction of off-site improvements. The project is currently under construction but bids came in higher than estimated. The City will be lending the developer PLHA funding in the form of a low-interest deferred loan to assist with the increased cost for the construction.

§301(a)(6) Assisting persons who are experiencing or At risk of homelessness, including, but not limited to, providing rapid rehousing, rental assistance, supportive/case management services that allow people to obtain and retain housing, operating and capital costs for navigation centers and emergency shelters, and the new construction, rehabilitation, and preservation of permanent and transitional housing.

§302(c)(4)(E)(i) Provide a detailed and complete description of how allocated funds will be used for the proposed Activity.

The City of El Centro is currently consulting with a local non-profit for the establishment of the Working Hands Program and a Navigation Center. The Working Hands Program, which is a street outreach program with a workforce development component. Program participants will provide manual labor to beautify the community and eliminate blight. In exchange they will be paid a cash minimum wage on a daily basis. Additionally, the Navigation Center will provide wrap-around services to homeless individuals such as assistance in obtaining State identification cards, obtain/retrieving Social Security information and benefits, education on banking including assistance with opening a bank account, and tax services.
