City of El Centro Parks & Recreation Department is requesting input from the public for its Summer Recreation Program

El Centro, Ca. — January 24, 2024 — The City of El Centro Parks & Recreation Department requests suggestions for its Summer Recreation Program through an online survey.

The City of El Centro wants to hear what programs, activities, camps, and sports you would like offered during the Summer Recreation Program, which runs from June to July.

The short survey is available in English and Spanish and can be found on our website at www.cityofelcentro.org

The deadline to complete the survey is February 9.
