City of El Centro wants dog park name suggestions from the public in survey

El Centro, Ca. — February 16, 2024 — The City of El Centro is requesting input from the public on what it should name the new dog park located on the 600 block of Park Avenue. The dog park is expected to be completed this summer.

The City is looking for name suggestions for the park with a survey in both English and Spanish, available at the City’s website, www.cityofelcentro.org.

The dog park will have an area for small and large dogs, dog amenities such as a fire hydrant, a water fountain, and an obstacle course. Deadline to complete the survey is March 1.
