The city of El Centro wants to hear your thoughts on our food truck ordinance!

El Centro, Ca. — April 16, 2024 — The City of El Centro is conducting a survey in English and Spanish to seek public input on proposed changes to its food truck ordinance.

The City wants to make it easier for food trucks to operate within city limits without impeding traffic or causing other issues. The survey will be available for two weeks on the City’s website, www.cityofelcentro.org.

For more information or to provide comments, please contact Andrea Montañó, Associate Planner, by email at amontano@cityofelcentro.org or by phone at 760-337-4599.
